All above listed students are admitted to the ASC master's course - 2020 edition - start is postponed to 2021 due to the Covid-19 pandemic.

For the 2020 course edition, 18 grants are available: 14 for partner country students, 4 for programme country students.

Erasmus Mundus scholarships are awarded based on this absolute ranking, according to criteria imposed by the European Agency for Communication, Education and Audiovisual (EACEA), Erasmus+ funding agency of the European Union:

- Programme / partner countries lists: https://ec.europa.eu/programmes/erasmus-plus/programme-guide/part-a/who-can-participate/eligible-countries_en
- Are considered partner country student: students who are not residents nor have carried out their main activity (studies, training or work) for more than a total of 12 months over the last five years in a programme Country. The five-year reference period for this 12-month rule is calculated backwards as from the submission deadline of applying for an ASC EMJMD student scholarship (set to March 1st 2020).
- No more than 3 students with the same nationality can be awarded an Erasmus Mundus Scholarship;

To know whether you have been awarded an Erasmus Mundus grant for partner or programme country or if you have been placed on the reserve list for being awarded one, please note your absolute ranking number above and refer to the lists below.

Being placed on one of the reserve lists, means that in case a student drops out of the main list of your category (partner or programme country) before the beginning of the course, you will be called for replacement on the basis of your ranking and EACEA's award criteria. You will be called individually by email. The present online lists will not be modified.
